Position description

Ecole Bilingue Middle School, located in Berkeley, California, is seeking an experienced, enthusiastic and highly motivated Math Teacher to join its academic team for the 2019-20 school year and beyond. The position is available late August 2019. Ecole Bilingue de Berkeley offers an engaging curriculum that promotes critical thinking and intellectual curiosity. We help our students to become leaders and lifelong joyful learners thereby strengthening their capacity to contribute positively to their communities. We support our students to develop meaningful relationships with peers and faculty based on honesty, respect, and responsibility.

Job Responsibilities include but are not limited to:

The Math teacher will:

- Apply knowledge of best practices for math instruction to support curriculum development and delivery in a rigorous academic environment based on students' individualized strengths and needs.
- Establish and maintain a safe and orderly classroom environment with clear expectations.
- Generate a classroom culture that is engaging, student-focused and effectively managed.
- Offer a whole-child education with a daily emphasis on children's academic, social and emotional learning goals and benchmarks.
- Effectively and consistently communicate, partner, and share with parents, colleagues, and students in support of each child's learning and success.
- Be a positive collaborator and a strong team player.
- Participate in professional development, keep up with the latest research, and be open to new ideas and innovative learning.

Participate in school events and contribute to the school's plan for growth.

Qualifications and desired personal qualities:

- Bachelor’s or Master’s degree in Mathematics or Education or related field
- Experienced and passionate about teaching in a project-based, student-centered learning environment
- Curriculum development experience (a plus)
- Knowledgeable, collaborative, friendly, and flexible
- Ability to offer academic rigor and mastery of subject matters through an integrated curriculum
- Belief in the potential of each child
- Ability to integrate social and emotional learning in students’ daily work in addition to developing a curriculum tailored toward different learning styles, talents, and needs
- Love of continuous learning and advancement
- Positive and consistent classroom management
- Strong communication skills and rapport with students, colleagues, and parents

The above responsibilities are subject to the general duties and responsibilities contained in the employee’s Conditions of Employment. This job description allocates duties and responsibilities but does not direct the particular amount of time to be spent carrying them out and no part of it may be so construed. This job description is not necessarily a comprehensive definition of the post. It also requires the ability to lift and carry items weighing up to 30 pounds unassisted. It may be subject to modification or amendment at any time after consultation with the holder of the post.

Compensation and Benefits:

The appointment is a full-time, year-round, exempt teaching position with comprehensive health and dental plans, a 403B plan, and generous paid time off.
